

UNION REGULATIONS

To assist you in planning your participation in your Vancouver show, we are certain you will appreciate knowing in advance that union labour may be required for certain aspects of your exhibit handling. To help you understand the jurisdiction the various unions have, we ask that you read the following:

CAMW - CONSTRUCTION MAINTENANCE & ALLIED WORKERS UNION

The Construction Maintenance & Allied Workers Union are providing labour for display installation and dismantling. Full time employees of the exhibiting companies however, may set their own exhibits without assistance from these locals. Labour can be ordered in advance by returning the Installation & Dismantle Labour Order Form, or on showsite, at the Freeman service desk.

MATERIAL HANDLING

Exhibitors may hand-carry their own materials into the exhibit facility through the front doors. The use of dollies, pump trucks and other mechanical equipment is not permitted. Freeman will control access to the loading docks in order to provide for a safe and orderly move-in/move-out.

TIPPING

Freeman requests that exhibitors do not tip our employees. They are paid at an excellent wage scale denoting a professional status, and we feel that tipping is not necessary. This applies to all Freeman employees. Any request for such should be brought to the attention of a Freeman representative at the Freeman service desk or correspondence may be directed to the attention of the General Manager at the local office address.

SAFETY

Standing on chairs, tables or rental equipment is prohibited. This equipment is not engineered to support your weight. Freeman cannot be responsible for injuries in assembling your booth, please order labour on the Display Labour form and the necessary ladders and/or tools will be provided.
